

Dear Westwood Elementary Parents,

Orders are now being taken for **Back-To-School Supply Packages** for the 2010-2011 school year. We are using the convenient service of **The Write-Stuff School Supplies**.

This is an easy way to get your child's school supplies for the next school year that will save you both time and money. Each Write-Stuff School Supply order is filled with the exact supplies on your child's back to school supply list down to quantity, color, and brand name. Brand names such as Crayola, Fiskars, and Elmer's, to name a few are the quality of the items in each order. The supplies are affordably priced for parents and provide the teachers with a consistency in their classroom supplies that they appreciate. The Write-Stuff School Supplies are delivered directly to the school for distribution during Meet the Teacher Night.

Our school is offering this program as a service to all students, but purchasing a box is optional.

A sample box can be viewed at the school office during regular school hours. This is a wonderful opportunity for you to purchase exactly what your child's particular teacher wants with ease and we encourage you to take advantage of this offer. Be sure to order the grade your child will be entering this fall.

To place an order please complete the order form and return it along with your check to the school no later than April 21, 2010. With questions, please call Karen Myers 964-5448 or jkmplus5@yahoo.com.

Thank you!
